

Exercises

E3.10 [00K] Tell which formulas are well formed, and add parentheses to highlight the order of precedence.

$$a \wedge \neg b \wedge c \wedge d$$

$$\neg a \vee b \wedge c \Rightarrow d$$

$$a \Rightarrow \neg b \wedge c \vee d$$

$$a \wedge b \vee c \Leftrightarrow \neg c \Rightarrow d$$

$$a \vee b \neg c \vee d$$

Solution 1. [00M]
